BON SECOURS HOSPITAL

RAPID ACCESS CHEST PAIN CLINIC

The Rapid Access Chest Pain Clinic is an appointment only facility for patients with recent onset or acute chest pain that require urgent investigation.

This is a consultant led service and is available Monday to Friday.

The patients are seen on the day of referral. If assessment indicates that a patient should be admitted to the hospital, this will be arranged. If deemed appropriate a patient can be transferred immediately to the Catheterization Laboratory.

For an appointment to access this service please call: 021 4941942

Referral Criteria

- ✦ Any patient presenting with a recent history of chest pain
- ✦ Pain that is suggestive of angina
- ✦ Pain with atypical features of heart disease but is accompanied by significant cardiac risks.

Patients with suspected Myocardial Infarction should be admitted directly to ICU / CCU. Contact bed manager at Tel 021 4542807

We hope that many of your questions have been answered within this leaflet, but should you have any further queries then do not hesitate to contact us at 021 4941942 or log on to www.bonsecoursireland.org

You can also download the RACPC GP Referral Form by logging on to www.bonsecoursireland.org

This form should be printed off, filled in and faxed back to us at 021 4542137.
