General

The Physiotherapy Department is staffed by full-time Chartered Physiotherapists providing concentrated rehabilitation and treatment to both in-patients and out-patients to ensure the patient safely achieves maximum potential in the shortest possible time. This is achieved through comprehensive assessment with individualised treatment combining education, continuous support, home exercise programmes and advice.

Located on the ground floor in a purpose built suite, the Physiotherapy Department features a comprehensive range of treatments which are as follows:

A wide range of manual therapies:

Interferential, Ultrasound, Neuromuscular Stimulation, Mechanical Spinal Traction, Wax Treatments, Moist Heat Packs, Ice Application

No Waiting List!

The outpatient service is available from 8.30 a.m. to 5.00 p.m., Monday to Friday and evening appointments can be accommodated. A same day appointments system operates and full details are available from the Physiotherapy Department.

Fees

Full payment of fees for outpatient services is required at the conclusion of treatment.
