The Bon Secours Hospital, Tralee is a private independent 150 bedded acute care Hospital, employing 500 employees in the Kerry region. We currently have 43 Consultants providing speciality services to the Hospital.

The hospital serves the requirements of both public patients referred from Kerry General Hospital and private insured patients in Kerry. The Bon Secours Hospital, Tralee is delighted to be able to provide services to both public and private patients and to positively contribute to the health and well being of our local community.
